6. Conflict

If there is conflict between the different schedules, the priority will be:

- 1st Priority: Holiday
- 2nd Priority: School Break
- 3rd Priority: Weekday/Weekend

For example, it is your weekend to have the children, but Saturday is Christmas Day and it is the other parent's turn to have Christmas Day. Because the Holiday schedule has 1st Priority, the other parent will get his/her time on Christmas Day even though it is your weekend.
